

DALLAS THEOLOGICAL SEMINARY

September 30, 2019

Dr. Joel Wilson
Accreditation Liaison, Southern Bible Institute and College
7200 S Hampton Rd
Dallas, TX 75232

Dear Dr. Wilson,

This correspondence is to formally confirm that Dallas Theological Seminary (DTS) will consider students who have earned a bachelor's degree from Southern Bible Institute and College (SBIC) for admission to DTS graduate programs without the GRE requirement usually needed for students with degrees from unaccredited institutions. In addition, SBIC graduates will be eligible to apply for DTS's Advanced Standing programs which can reduce their master's programs by up to 25%. This determination has been made after a thorough review of the course syllabi and the bachelor's degree requirements.

Any changes to SBIC's bachelor's degree will require a reevaluation. DTS reserves the right to terminate this agreement at any time if circumstances warrant. We also look forward to your full accreditation through the Association for Biblical Higher Education (ABHE), which will make this agreement no longer necessary.

DTS and SBIC have a long and rich heritage together. May our shared educational pursuits under the banner of Jesus Christ honor him and strengthen the church.

John Dyer
Dean of Enrollment Services and
Educational Technology
